## **LEASE AGREEMENTS, EVICTION, HARASSMENT, HABITABILITY**

From the creation of the lease agreement to providing options for an eviction in the event of a dispute between a landlord and a Tenant. Attorney Davalos found his passion for landlord tenant law while working in San Francisco where rent control and homelessness created a landscape full of legal challenges as well as benefits for both landlords and tenants. Today he represents many clients in the San Joaquin and Sacramento Valley areas in disputes over habitability as well as retaliatory eviction and defense.
